

# Are we there yet?

No matter how long your journey is, if you're bringing little ones they're likely to get fidgety on the way. So keep them entertained (and you, sane!) with our games and puzzles – just go to [butlins.com/beforeyougo](http://butlins.com/beforeyougo) and click on the 'something for the journey' section to download them.

## By car

Head towards the sea, then simply follow the A259 coast road. We're just 1 mile east of Bognor Regis on the Littlehampton Road near Felpham Village.

## By coach or train

If you're travelling by coach, your driver will take you to the resort's main entrance. If you're coming by train, the resort is just a five-minute taxi ride from Bognor Regis train station. There should be taxis waiting at the station taxi rank, otherwise we recommend you call Crown Taxis on 01243 829829.

## Phew! There's a whole lot to look forward to, isn't there?

Don't forget, you can find out more about the resort, entertainment and nearby places to visit at [butlins.com/beforeyougo](http://butlins.com/beforeyougo) if you want extra info to help you plan your holiday.

And if you have questions when you get here, just ask a member of the team or head for the Information Point in the Skyline Pavilion (the big white tent)! We'll be happy to help.

Have fun!

Bognor Regis is the sunniest spot in Britain! Make the most of days out at nearby historic Chichester, the dockyard at Portsmouth, Arundel Castle and the races at Goodwood – all within easy reach.

Visit [butlins.com/local-bg](http://butlins.com/local-bg) to find our more information on the local area.

Your little angels are sure to have lots of fun. But your holiday should be a stress-free time for you too. Here's how we can help.

### Eating

All our dining package restaurants have high chairs, and serve yummy kids' meals and free baby food, so your tots won't go hungry. And there are also crayons and colouring sheets to keep them occupied while they work up an appetite.

### Equipment hire

Don't fancy lugging the buggy along with you? No problem. There are prams, baby baths, cots, bed guards and more at our hire shop.

### Baby changing

There are places to change your little one across the resort, and our supermarket sells nappies of all sizes.

### Nursery

For playing together, our Ofsted-registered nursery has an activity room. Or give yourself a few hours off and leave your children in the capable hands of our brilliant team. There's lots of arts and crafts fun to be had and toys to play with, all for £6 per child for a 2 hour session. Come and take a look when you get to resort.

# Bognor Regis Resort

Here's a map of the resort to give you an idea of where to find everything. The Skyline Pavilion is at the heart of the resort and inside it's non-stop showtime!
