

Welcome to the Kaleidoscope Bar and Restaurant

We have two menus for you to choose from, there's our self-serve buffet selection detailed below, or our a la carte selection overleaf with dishes that carry a small additional charge.

If you want to mix and match between the two menus you can – for example you could try a starter from the buffet selection and a main course from the a la carte selection.

So sit back, take a look at the menu and your waiter/ress will be along to take your orders and help with anything else.
