

DIVERSITY ACADEMY

We can't wait to welcome you but we thought you might have some questions about what's going to happen next and how the Academy sessions will work, so we've created this handy guide that includes everything you need to know so you can make the most out of this experience.

Where will the Academies take place?

Our Academies take place in our Reds venues with Academy sessions running throughout the day. When you arrive on Resort you will receive all the details in your Welcome Pack so you know where to go and what session you will be on.

What time will we need to arrive?

So everyone can get set up and ready to enjoy the experience, please arrive 15 minutes before the Academy starts. This time will be shown in your confirmation.

How long will the Academy last?

The Academy will last approximately 90 mins.

Will there be a break?

Yes, there will be a few breaks throughout the sessions so you can catch your breath and grab a drink.

What do we need to bring?

As you'll be having fun and dancing in these sessions we recommend bringing a drink to keep you hydrated.

What do I need to wear?

Dancing is best enjoyed in clothes that let you move freely, so tracksuits or jogging bottoms and a T-shirt are ideal, with some comfortable trainers or pumps on your feet. You will not be able to dance with bare feet or wearing flip-flops. Please make sure you are changed into your dancing gear before you arrive as unfortunately we do not have changing facilities at the venues.

Are refreshments available?

If you are taking part in the Academy we recommend bringing your own drink as refreshments won't be available.

Can my family watch?

Of course your family can watch, however, to make sure every family gets to see their dancers in action there will only be spaces for two people to watch free of charge.

Can we take photos?

Your family can take photos but we do ask that the flash is turned off as this can be distracting for the dancers. Dancers will not be able to take cameras, phones or other personal belongings onto the dance floor during the session.

Can we get photos with Diversity?

So you can capture the experience of meeting and dancing with Diversity you will be able to have your photo taken with the guys. We think it's the perfect way to finish the Academy and a photo is a great opportunity to take something home from this experience and something which you can share and show off to all your friends and family. All photos will be able to be purchased from our Showtime Studios.

Can we buy Diversity merchandise?

During your break you will be able to purchase Diversity merchandise in our Butlin's Store, including Diversity branded T-shirts, caps, beanies and lanyards.
