For more information about the presence of allergens in all our food or drink, please ask a member of our team every time before ordering even if you have dined with us before as our food or drink ingredients and specifications can change. Full allergen information on the ingredients in the food or drink we serve is available via QR code on menu. Calorie information is correct at time of going to print. Please scan the QR code for the most up to date calorie information. Packaged products (i.e. sauce sachets and bottles, juices, water) are not covered in this allergen guide, allergen information for these products is printed on the packaging. We take great care to prevent cross-contamination when preparing your food and drink, however, please be aware that all our dishes are prepared in kitchens and bars where all known allergens are present and there is also risk of allergen cross contamination through shared cooking equipment e.g. fryers. Therefore, we cannot guarantee that any food item is completely free from allergens. If you would like further information on our cooking methods, please ask. As we use either foods containing gluten in our kitchens and bars we cannot declare or guarantee that any of our dishes are gluten-free. Our menu descriptions do not list all ingredients, please advise the team of any dietary requirements when ordering. Our staff cannot offer specific advice or recommendations beyond our published allergen communications. Please note that all our fish may contain small bones. Quorn® is a registered trade mark.
