“OUR TRUE INTENT IS ALL FOR YOUR DELIGHT.”
SIR WILLIAM ‘BILLY’ BUTLIN

After seeing the words from Shakespeare on the side of a fairground organ, Billy made this his promise from the day he opened his first resort in Skegness in 1936.

Billy wanted to create a “place of colour and happiness” filled with entertainment, activities and new innovations that would delight families. He wanted families to reconnect, laugh together and enjoy their time away while feeling really looked after and cared for, and so he built his team of Redcoats.

Although the world’s changed since Billy’s day, his promise remains. From brand new family shows and exciting activities for all ages to renovated accommodation and new menus, we’re constantly evolving our resorts so whenever you come back to stay, you’ll always find something new to experience.

Everything’s been designed with you and your family in mind, so you don’t need to worry about a thing. Get set to embrace the endless fun and simply enjoy some time away with your family.
It’s really important to us that your family has the most perfect Butlin’s experience possible, and that starts at the very beginning by ensuring your booking process is completely stress free. Our Butlin’s experts are always on hand from the minute you get in touch, whether it be by click or by phone to help you plan your dream break for you and your family.

**CHOOSE FROM THREE SEASIDE RESORTS**
Our three resorts are all situated in popular seaside locations, all you need to do is decide how far you’d like to travel and how you plan on getting there.

**CHOOSE WHEN TO VISIT AND FOR HOW LONG**
Decide when you’d like to visit and for how long you’d like to stay. Once you’ve checked your calendar, choose from our 2, 3, 4 and 7 night breaks.

**CHOOSE THE PERFECT PLACE TO STAY**
Whether you’re looking for a splash of luxury, spacious home-from-home accommodation or somewhere to rest your head for the night, we’ve got it all.

**CHOOSE THE BEST DINING OPTION FOR YOU**
There are a variety of dining options and plans available giving you the ultimate choice and flexibility so that even the fussiest of eaters will be satisfied.

**RESERVE YOUR BREAK AND BOOK**
With everything decided, you can book your break by visiting our website or calling one of our trusty experts who will complete the booking for you.
LIVE A LITTLE BUTLIN’S

We believe the two essential ingredients for any brilliant break are plenty of space to play and days filled with endless happiness and laughter from all the family.

Our three seaside resorts are alive with activity and excitement where every day is different. Whether it’s indoors, outdoors, day or night, there will always be plenty for you to say ‘yes you can’ to during your stay because so much of the fun at Butlin’s is ‘all part of the price’.
Bordering the coast of the North Sea and on the doorstep to a beautiful Blue Flag beach with miles of glorious golden sand, the original Butlin’s resort holds a special place in both our hearts and heritage. Whether you want to get the adrenaline racing with a visit to the fairground, take a moment out to relax in the calm of our spa, share a delicious family dinner in one of our restaurants with food to suit every kind of taste bud or take in some of our exclusive shows and entertainment - Butlin’s Skegness has it all.

This year we brought my husband’s mum too, so were a big group! It’s got everything and they really look after you. If anything, it’s just got better!”

From early morning wake-up-and-go workouts to midday sports and evening entertainment, you’re family’s fun is guaranteed! And, what’s best is that so much of it is included in the price, bookable on resort and free-flowing, so leave your wallet in your room and enjoy being able to say yes, yes, yes over and over again!

Come Rain or Shine, Both Day and Night
It’s no surprise that our pools are one of the best-loved attractions at all of our resorts. The whole family will spend hours here - your only hitch will be trying to get them out!

Swim, slide, splash and splish until your heart’s content, from floating round the lazy river and whizzing down the slides, to growing your little one’s water confidence in the tots area and relaxing poolside. Our pools are designed to bring the family fun inside whether it’s raining or shining, and with unlimited entry included in the price of your break, you’ve got the perfect family go-to on any day, or every day, of your break!

ALL THE FUN
OF THE FAIR

Our traditional fairgrounds pay homage to our heritage. When Billy Butlin bought his own hoopla stall and later introduced dodgems to the UK in the 30s, he brought joy to lots of families and we’re continuing the tradition.

Ride our shiny carousel or dodge your friends on the dodgems, with the smell of classic funfair treats lingering in the air and twinkly lights shining overhead in the evenings, it’s the perfect way to spend a day (or many days) on your break. With unlimited entry included in the price you can go again and again and again!

INCLUDED IN THE PRICE OF YOUR BREAK

If we do say so ourselves, one of the best things about holidaying with us is the amount of brilliant entertainment and activities you get included in the price of your break. At Butlin’s we really pull out all the stops to make sure your time with us is filled with extra special and exclusive entertainment that you won’t find anywhere else.

From cuddly characters that will give your little ones the thrill of their lives when they first set eyes on them, talented tribute artists performing some of your favourite hits and our headlining summer acts that will blow your socks off, we’ve got morning-til-evening schedules packed full of live family shows and entertainment for all ages.

Please note, some of our stars are very busy and only on selected breaks, so please double check what’s on and when at the time of booking to avoid missing out.

You’ll always find plenty of incredible shows and activities included in the price of your break. However, if you fancy scaling the high ropes, mastering archery or if defying the bungee trampolines also sounds exciting, the specialist equipment and professionally trained tuition to keep you safe does mean they cost a little extra.

There’s good news though... To help you budget for these adventurous extras, we’ve created the ‘All Action’, ‘Flexi’ and ‘Adrenaline’ activity passes that have been designed to save you money, especially when you add them to your booking before you arrive.

FOOD GLORIOUS FOOD

One of the best things about getting away is giving yourself the time to do things you don’t often get to do at home, and with no work or school to worry about, meals together are a great time to catch-up and reconnect - and having someone else doing all the cooking and washing-up makes it even better. We have an array of delicious dining plans, wonderful restaurants and plenty of bars and cafés around the resort to ensure that nobody goes hungry!

We’ve worked hard to introduce a whole host of tasty new vegan and gluten-free options too, and we also offer microwave and bottle warming facilities so you can relax, knowing that all dietary requirements are well catered for. With quality, fresh ingredients, seasonal specials and the kids well-catered for (even the fussy ones) - just make sure you leave room for an indulgent treat or two.
